### Information about our use of cookies

Our website uses cookies to distinguish you from other users of our website. Cookies are small files stored in your browser, or locally on your computer, that help us to improve your experience when you browse our website, and also assist us in improving our site.

#### We use the following cookies:

- Strictly necessary cookies. These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a credit card, or make use of e-billing services.
- Analytical/performance cookies. These allow us to recognise and count the number of visitors to our website, and to see how they move around our website when using it. This helps us to optimise the functionality of our website, for example, by allowing us to improve the ease of accessing information that users commonly look for.
- Functionality cookies. These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences and site settings.
- Targeting cookies. These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control.

You block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or some parts of our site.

26 Degrees uses cookies to provide advertising that is more relevant to you. When browsing through other sites where these cookies are relevant, you will be served advertisements which are in line with your interests based on your activity on the 26 Degrees website.

For general information and how you can manage and change your cookies settings, please visit <https://www.aboutcookies.org/>

The background of the image is a high-angle aerial photograph of a coastal scene. The left side shows the deep turquoise blue of the sea. The right side shows a sandy beach with warm orange and yellow tones from the setting sun. The water meets the sand in a curved line, with small white waves breaking on the shore. In the bottom right corner, there is a small area of red, rocky land with some green vegetation. The overall composition is a blend of a professional advertisement with a natural, scenic backdrop.
